Smart Destinations – New Orleans Pass

1 April 2018

A New Orleans Adventure just got easier (and less expensive) with the sightseeing card that offers access to more than 25 things to do, including the city’s most iconic activities and attractions. With fast-track access at many museums and locations and an informative guidebook to help plan an itinerary, the New Orleans Pass lets your customer spend more time exploring, instead of wasting precious minutes in line.

How it Works: The New Orleans pass is not digital at this time, so office will print a voucher from the website and the customer will take it to the redemption location (**Adventures in New Orleans Visitor’s Centre, 414 Canal Street, New Orleans, LA 70130, 800-464-0142**) to receive an actual physical pass (which will be an actual card). Please use the customer's name in the ordering process so the voucher has the customer's name on it so the customer can redeem it for their pass. This card will let them enter attractions cash-free. Simply show the card to attendant at each attraction. Pass is activated upon the first visit at the first attraction and then valid for the number of calendar days purchased. There's no limit to the number of attractions visited during that time frame, so as many as your guest can fit in—racking up serious savings along the way.

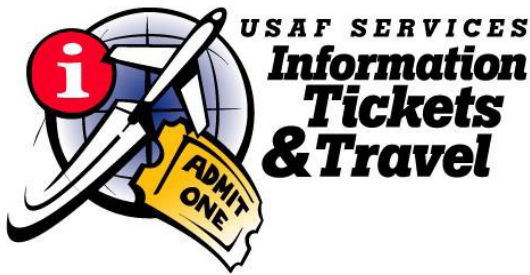

Free entry to **ALL** of these attractions:

SMART Destinations

Smart Destinations – New York Pass

1 April 2018

Pricing valid 1 Feb 18 – 31 Mar 19

A New York adventure just got easier (and less expensive) with the sightseeing card that offers access to more than 80 things to do, including the city's most iconic activities and attractions. With fast-track access at many museums and locations and an informative guidebook to help plan an itinerary, the New York Pass lets your customer spend more time exploring, instead of wasting precious New York minutes in line.

How it Works: The New York pass is not digital at this time, so your office will print a voucher from the website and then the customer will take it to a physical location to redeem for an actual physical pass (which will be an actual card) in New York City. Please use the customer's name in the ordering process so the voucher has the customer's name on it so the customer can redeem it for their pass. This card will let them enter attractions cash-free. Simply show the card to the attendant at each attraction where they will swipe it for entrance. The pass is activated upon the first visit at the first attraction, and then valid for the number of calendar days purchased. There's no limit to the number of attractions that can be visited during that time frame, so as many sites can be visited as your guest can fit in—racking up serious savings along the way. Just visiting an average of 3 attractions daily your guest can save up to \$70.00 each day the pass is used (total value of all included attractions exceeds \$2,000.00).

The New York Pass lets you access more than 90 great Big Apple sites. The pass also comes with: 200-page pocket guidebook that details all attractions and special offers for pass holders; New York Pass smartphone app with information, photos, suggested itineraries, and practical tips; and a tourist map and subway map to help you plan your trip.
