

# YOUTH PROGRAMS OPEN REC WANTS YOU!

Open Rec offers a variety of special activities and free choice of game room, gym activities, clubs and initiatives to help foster healthy living, safety awareness, and vital leadership skills.

Preteens ages 9-12 have the opportunity to join the Open Recreation Programs.

Youth Programs is affiliated with Boys and Girls Clubs of America and 4-H to provide quality programming as well as specialty camps, instructional classes, and special events.

## The Youth Center features

- Gaming systems
- TVs
- Computers
- Arts
- Robotics
- 3D printer
- and more!

Core areas include STEM (science, technology, engineering, & mathematics), arts, service & leadership, and health & fitness.

The Teen area is a safe and positive space for teens ages 13-18 to spend time while focusing on their next steps to adulthood.

Through our education and career programs teens have the opportunity to gain experience in workplace readiness, college preparedness, scholarship assistance, career exploration, and more.
