The combinations of activities and teambuilding opportunities are almost limitless depending on what works for your group. Activity must include an element of teambuilding and recreational.

FOOD OPTIONS:

Remember to add in food for your event. Doesn't have to be at the same place or location as the event, but does have to be in combination to the event. No event, no food...they go together like teambuilding and lunch!

Things to Know

UNITE Program empowers unit commanders to plan recreational and cohesive activities to strengthen the squadron.

Assigned personnel includes Active Duty, APF/GS and NAF Civilians.

Unit CC and CL can designate in writing a POC to plan programs for cohesion and teambuilding on CCs behalf, see POC Letter for more information.

The C3 will confirm your allocation/approvals and will make payments on your behalf. Payments will be made based on the final invoice/reservation and the approval from AFSVC.
