Join an adventurous community that likes to create and share experiences.

Outdoor Recreation offers various administrating and guiding opportunities. Volunteering is a great way to learn more about equipment and gain outdoor recreational experiences.

Opportunities include photography, equipment upkeep, white water trips, skiing/snowboarding, climbing, hiking, biking and more.

#### **BENEFITS CAN INCLUDE:**

- ☑ Opportunity to go on outdoor adventure programs as a guide or assistant.
- ☑ Upon request, receive a letter of appreciation including the hours volunteered and the vital service performed on behalf of ODR and the USAF.
- ☑ Learn lifelong skills you can take with you anywhere.

Outdoor Recreation isn't just the brick in its building...it's the people. ODR is a place that is made up of people who may be staff members, interns, volunteers, or participants. Volunteers are tasked with maintaining high standards of professionalism, and have a crucial role in helping ODR continue to build on the solid reputation that has been founded over the years.
